LG OLED Self-lit

LG Hospitality TV is unique thanks to its self-lit technology. Millions of OLED pixels come together to deliver the next level of TV. Enjoy the deep black, the rich colors and the vivid picture quality.

Artwork Adorning Your Walls

WN960H is an art-inspired TV with perfect lines, ultra-thin bezel, and sleek design, featuring a narrow gap between the wall and the screen. LG Hospitality TVs shine the spotlight on your content and complement the interior of hotel rooms even when they're turned off.

Pro:Centric Direct

The hotel content management solution Pro:Centric Direct offers easy and simple editing tools, making it easy to perform service and IP network-based remote management with a single click. The Pro:Centric Direct solution enables users to edit their interface easily by providing customized interface and efficiently manages all TVs in the room. The latest PCD version provides IoT-based in-room control which will be your starting point to prepare for the suites of next generation through artificial intelligence.

* Some features may not be supported based on PCD versions.
